

Dear Sir/Madam,

The e-Padi.com is Indonesia's leading hosting company.

We provide a diverse range of hosting services including shared hosting server, email hosting, elearning hosting, domain name, VPS, dedicated server, co-location, and another digital solution for personal or corporate needed at low-cost than the other companies.

Email hosting is a hosting service used to separate between the website server and email server, this service is very suitable for online businesses, companies, personal, and government that have high email activities and require a larger storage capacity.

In this opportunity, we would like to offer you Email Hosting service as follows.
